LICENSE

Date \_\_\_\_\_

Upon the foregoing petition and it appearing that the public good so requires it is hereby ordered That \_\_\_\_\_ and Unitil Energy Systems be and hereby are/is granted a license to erect and maintain poles and structures with wires, cables and conduits, either overhead or underground, and devices used in connection therewith, together with sustaining, strengthening and protecting fixtures in the locations covered by said petition. The maximum and minimum length of the poles and height of the structures shall be 70 feet and 20 feet respectively. The approximate location of the poles, structures and/or underground conduits are designated or defined as shown upon the aforesaid plan which is made a part of this order. All the said wires except such as are vertically attached to the poles and structures shall be placed at a height of not less than 18 feet above the surface of the highway.

John A. Clements, P.E., Highway Commissioner

In accordance with the requirements of RSA 72:23, I (b) this license is granted to the licensee(s) subject to the condition that the licensee(s) and any other entity using or occupying property of the state, the town, school district or village district(s) within the City of Concord pursuant to this license shall be responsible for the payment of, and shall pay, all property assessed real and personal property taxes no later than the due date. Failure of the licensee(s) to pay duly assessed personal and real property taxes no later than the due date. Failure of the licensee(s) to pay duty and assessed personal and real property taxes when due shall be cause to terminate this license.

In accordance with the requirement of RSA 72:23, I(b), the licensee(s) hereunder and any other entity using or occupying property of the state, the town, school district, or village district(s) pursuant to this license shall be responsible for the payment of, and shall pay, both current and potential real and personal property taxes when due. Furthermore, in accordance with the requirement of RSA 72:23, I(b), the licensee(s) and any other entity using and or occupying property of the state, the town, school district or village district(s) pursuant to this license shall be obligated to pay real and personal property taxes on structures or improvements added by the licensee(s) or any other entity using or occupying property of the state or of a city, town, school district or village district pursuant to this license.

The change to the within license set forth in the preceding two paragraphs shall take effect April 1, 2000 and shall remain in effect until changed in accordance with the requirements of RSA 231:163.
